Please answer the following questions about the nominated Leo Club Advisor:

1. How did this Advisor help the Leo club members develop leadership skills? (list examples of training the club participated in – local, district, state, school – can be from Leos, Lions or other youth organizations)

Lion Linda Jameson always encourages all of the Lago Vista Leo's to participate at all levels, local, District and State by attending meetings and running for a positions such as an officer or on the Board. She personally drives those officers to the various meetings all over the state so they can fulfill their duty. She also encourages the Leo's to run for officer positions at their school and within other clubs. The outgoing LV Leo officers always train the incoming Leo's officers. She makes sure the Leo's running for positions understand what their duties are before they are elected and then makes sure they carry out their duties after election. She insists God, family and school come first and if they are unable to fulfill their Leo position due to a hardship at any time then they work together to find a replacement. She counsels any Leo in need or any having problems. She is always concerned about their well-being and helps them to strive for their best.

2. Explain why the Leo Advisor should be recognized as the outstanding District Leo Advisor

Lion Linda has attended as many Leo meetings as she can with the Lago Vista Leo's but has been limited due to family health issues. She does however keep in constant contact with the Leo's via text, emails and phone calls. She insists that the Leo's strive for their best and that they are spectacular individuals and will achieve great things in life.

3. Describe how the Leo Club Advisor communicated and participated with the Leo Club sponsoring Lions Club.

Lion Linda kept in contact with the sponsoring Lions club with her presence at Lago Vista Lions club meetings she attended regularly. She communicated information directly to the LV Leos club via text and email and by attending Leo's meetings. She submitted pictures to the sponsoring Lions club and wrote articles about what the Leo's have accomplished through the year. Some articles have been in the District newsletter also.
