Lions are good people who sincerely want to make their community a great place to live. We care about other folks, and we are not afraid to roll up our sleeves and pitch in. Lions Club International has 8 global causes

Childhood Cancer	Humanitarian
Diabetes	Hunger
Disaster Relief	Vision
Environment	Youth

Our club is committed to working in those areas, beginning locally and expanding to global participants as need arises. We have defined avenues of service within our club, and we welcome you to indicate which ones may interest you for service. Along with this invitation you will find a list of those avenues of service with more information. Please review it with your sponsor and check the boxes that interest you below:
