Because of this, what experience or skills do you have that might enhance our efforts? Previous work or volunteer experience is invaluable. Please tell us about yours:

Lions are good people who sincerely want to make their community a great place to live. We care about other folks, and we are not afraid to roll up our sleeves and pitch in. Lions Club International has 8 global causes

Our club is committed to working in those areas, beginning locally and expanding to global participants as need arises.
