

Golfing for Good

April 13, 2024 Charity Golf Tournament

Dear Friends,

The Lions Club of Lago Vista has a simple, but heartfelt motto, "We Serve!" And quite simply, that is what we do. To be able to serve we have developed several fund-raising activities, and by far our most important is the Annual Lions Club Golf Tournament. The success of each year's tournament defines the success of our ability to serve. As such, this year's theme highlights the goal of our Golf Tournament...

Golfing for Good!

Our 2024 event will be held on April 13th, at the Lago Vista Golf Course. It will be a shotgun, four-person scramble beginning at 10:00 am. We expect a full tournament with 32 teams, 128 golfers, and 50 or more Lions working the event. While we had outstanding results in 2023, we anticipate even greater participation among golfers and sponsors in 2024, and the proceeds will go toward the good that Lions do which includes:

- **The Texas Lions Camp** (In Kerrville, Texas). It just so happens that the initials of the camp, TLC, match what the campers receive, Tender Loving Care. This camp is for disabled children who have the time of their lives at no cost to their parents.
- **KidSight**. We all want kids to get the best education possible and enjoy their youth and all the opportunities it brings. To make sure they are best prepared, the Lions offer free visual screenings to help parents and educators correct any vision problems.
- **Vision Services**. Sometimes the parents of a child who needs vision correction cannot afford further examinations and glasses. Lions step up and pay for a full exam and glasses at our local optical store.
- **Texas Eyeglass Recycling Center**. Lago Vista Lions collect eyeglasses for disadvantaged people that do not have access. We collect at seventeen locations around the North Shore area and Cedar Park and send them to be prepared for folks who need them.
- **Student Scholarships**. Each year our Scholarship Committee works hard to select students who are most deserving of financial aid to go to college or trade school and awards them Lion Scholarships.
- **Strides Program**. Strides is a friendly, positive, and active community event that enables Lions clubs or districts to take action and raise awareness about diabetes prevention and control. The Strides program incorporates enjoyable physical activity through a community walk, run, bicycle ride, dance, or other healthy exercise.

Where there is a need, there is a Lion, and the Lions Club of Lago Vista would appreciate your support by sponsoring a golf hole or making a charitable gift or donation. We are providing information about the 2024 golf tournament that includes a flier about the event, a sponsorship form with the various levels of support, and a sign-up sheet for participation in the golf tournament as well as a 501 (c) (3) tax-exempt form for your records.

If you need additional information, please contact the specific Lion who has provided you this information or visit our website at lagolionsclub.org.

Cordially,

Jeff Koble
2023-24 President
Lago Vista Lions
