THE BBQ TEAM DID IT AGAIN!

Labor Day Week-end was tastier than ever thanks to the amazing skill and dedication of our outstanding team...many thanks to Jeff Nokes for ONCE AGAIN providing the location for all the prep work, smoking, packaging and pick-up. It's a long process, but it serves our community and after all, THAT'S WHAT WE DO! Also, many thanks to the hungry Lago Vistans who flocked to our site and indulged in the best darn BBQ this side of heaven!

VISION SCREENING

This month has been EXCEPTIONALLY active for KidSight. Our team of Lions Mike Beal, Don Johndrow, Pat and Ted Rosen, Ken Johnston and Pete Pfile have screened approximately 1,200 children, pre-kinder to 5th grade. This important service to our growing communities on the North Shore contributes to detecting and correcting many vision issues, especially amblyopia (lazy eye). Kudos to the dedication of this group of Lago Lions.

- Lion Betty Nokes is recovering from COVID. At 101 we are all focusing positive thoughts and prayers on her health and well-being.
- We are all keeping Lion Jerry Nilsson-Weiskott and Susan in our thoughts as he recovers from a procedure to correct a medical mishap. The surgery was successful!
- Ken Johnston continues to collect pull tabs from beverage cans. They are destined, ultimately, to the Ronald McDonald House through a Lions Club in California. Want to help out? Collect YOURS!
