TREE LIGHTING

It was probably the coldest night we've had during this uncharacteristically warm winter and we Lions lived up to our motto by serving 1000 hot dogs to the gathered crowd of cold and appreciative citizens. The Hill Country Singers provided carols, the LV Marching band provided spirited music and Santa Claus was present to talk to all the kiddos intent on once again being able to ask Santa for their most desired Christmas gift. We were thrilled to be serving our community once again.

VISION SCREENING END OF YEAR REPORT

This year's prime vision screening season may have come to an end. We may get a request for one or two small screenings in the spring but it's unknown for now.

Lions YTD results (starting July 1):
3542 screened
329 referred
9.3% referred overall
353 hours of service

BLUE SANTA

Larry and Liz Hagler joined us on December 21 and presented an informative program about the Lago Vista Blue Santa program and how it has evolved over the years. Of particular note was how the organization adapted to the limitations and challenges presented by the ongoing pandemic.

President Ted and Lion Mike Zaydel were proud to present them a commemorative check representing the funds raised by the Lions Blue Santa Golf Tournament.

The Facts Straightened Out

Last month's newsletter had some erroneous information about the program of collecting flip tops...Ken Johnston has provided the correct information

I collect the pull tabs for a blind Lion Friend of mine in the Chico Breakfast Lions Club, which he, in turn, turns them over to his Club Contest Chair for submission to the District (4-C1) Contest Chairman where they are recorded by weight, by Club, for the yearly contest that has been going on for quite a few years.

After the proper weighing and notations, the pull tabs are then taken to the Ronald McDonald House in Sacramento where the tabs are then traded for cash and are used to pay the yearly utility bills for the Ronald McDonald House.

TEXAS LIONS CAMP NEWS

By Connie Zschoche
Elected Director

Merry Christmas and Happy Holidays!

TLC Workday

Mark your calendar! We are signed up for our annual workday for March 5, 2022. It's always a great experience at the camp working with our fellow Lions. For new lions, it's an opportunity to see what the Texas Lions have created for children with disabilities and fall in love with this amazing place. This camp was created in response to the terrible polio epidemic in the 1940's and has been available for disabled children since 1953.

Campers

Attention: Looking for Campers! Summer Camp 2022 will be a family camp again as it was for summer 2021. Summer Camp, 2021 was TLC – 4 – Families. A child who would qualify to go to the camp can now experience the camp with their family. More information will be available in January but be on the lookout for a family that could benefit from this amazing experience.

Camp Construction

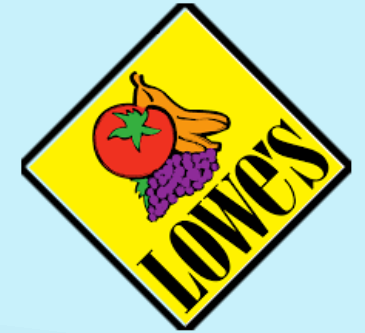

Construction is well underway at the camp with the foundations for the new bunkhouses in place and walls going up. Eagle trail construction is in progress as well. The Lions of Texas and all of Texans at Texas Lions Camp are excited to be moving forward to upgrade the facilities.

LEOs' Food Drive

Let's start off the New Year by providing a helping hand. The LEOs will be in-front of Lowe's Market on Saturday, January 8 from 10 A.M. till 4 P.M. collecting non-perishable food items and personal hygiene items for both men and women. Hill Country Ministries will distribute the personal hygiene items and food will be provided to local food banks.
