NOVEMBER 2 MEETING

Although disappointed that District Governor Lion Gayle Teggeman Collins had to cancel due to illness AND that we had to relocate to St. Peter's Episcopal Church due to the election, we were grateful for the hospitality of the Church and we carried on in our customary fashion, enjoying the opportunity to share with each other and celebrate our accomplishments! Cheri Marion, who was elected Lion of the Quarter received her certificate of appreciation. Also pictured, Mike Zaydel, John Spoerlein, Pat Evans, Julie McCreary, Judy Eagle, the Wolvertons, Dale Mitchell, Dick Weatherly and President Ted Rosen along with "the crowd!"

NOVEMBER 16 MEETING

Our program meeting brought us Ann Fry, addressing *7.5 Steps to Challenge the Status Quo*-or a how to process when you want things to be different. Ann is a local resident, accomplished life coach and author. She also brought us one step closer to someone winning the coveted 50/50!

LEOS WHITE CANE DAY

Lion Sara Bush, the Leos advisor, was on hand Sunday, Nov. 21 with a crew of volunteers and Leos at Lowe's Market for this important fundraiser. They raised \$650.63 and the recognition of the Lions and Leos' dedication to conserving eyesight. The proceeds will go to the Texas School for the Blind in Austin.

LIONS @ THE BAZAAR

Once again, Lion Dick Weatherly brought together a bevy of happy volunteers to enjoy the perfect weather (albeit, a very chilly morning) to serve breakfast and lunch to the attendees and vendors of the LVPOA Holiday Arts and Crafts Bazaar held at the POA Campground. It was well attended, and the club was able to raise over \$500! Thanks to all the dedicated volunteers!

TEXAS LIONS CAMP NEWS

By Connie Zschoche
Elected Director

TLC Summer Service Opportunities-Normally the summer service opportunities start on October 1 – 15. This has been delayed until January. Here are a few of the service opportunities we have been involved with in the past:

- We have greeted the campers providing them with snacks and snow cones
- Helped with luggage when they arrive
- Provided lunch

More information will be available in January. This is always a wonderful opportunity to meet with the campers and really see how very special this camp is to them. TLC is provided to each camper at no cost to their family. The cost for each camper is about \$1800, which is provided by Texas Lions from all over the state through their dues and other contributions to the TLC.

TLC Workday-We are signed up for our annual workday for March 5, 2022. We won't know for sure what we will be doing until after the first of the year. You might want to pencil in that date on your calendar. It's always a great experience at the camp working with our fellow Lions. It's also a wonderful opportunity to see where your contributions are going. For new lions, it's an opportunity to see what the Texas Lions have created for children with disabilities.

Campers-It's never too early to be looking for campers for next summer. Summer Camp 2022 will be a family camp again as it was for summer 2021. Remember TLC – 4 – Families? One of our own Lions families attended and had a wonderful time. More information will be available in January but be on the lookout for a family that could benefit from this amazing experience.

Camp Construction-There is lots of construction going on right now with phase I. According to Stephen Mabry, President & CEO, construction officially began immediately following camp this year and is planned to be substantially complete by June 10, 2022. The Lions of Texas and all of Texans at Texas Lions Camp are excited to be moving forward to upgrade the facilities.

75th Anniversary of the Texas Lions Camp-Texas Lions Camp will celebrate their 75th Anniversary on April 4, 2024. TLC will have served some 80,000 children with special medical needs by 2024. The celebration will begin April 4 and continue through April 8, 2024. A team of TLC staff, Lions and volunteers is being assembled to plan events for each day of the celebration. The total eclipse of the sun will occur on April 8, 2024 and TLC is in the center of the solar eclipse path. Mark your calendars for this very special event.

Ready to Flip Out?

Lion Ken Johnston continues to collect the flip tops from cans and is grateful for all who contribute to his collection. The supply that he guards, jealously, is then sent to a Lions club in California where they are used to help pay some of the operational costs of a school for the blind.

If you would like to participate, just bend the flip top back and forth until it comes off the can (do it after you've consumed the drink as it can make a slightly sharp edge) and save it until you have critical mass. Then surprise Ken with your generous addition to his effort.
